NUSSD - TISS

30/1/2018

ABOUT NUSSD

The program was launched in August 2013 in collaboration with Ministry of Youth Affairs and Sports to enable graduating youths from underprivileged background and backward regions of the country to acquire employment oriented skills while pursuing their graduation. The program is being implemented in 34 colleges of 11 universities from 9 states. NUSSD program is based on a multi stakeholder collaborative model that involves universities, colleges, corporate, industries, NGOs and individual experts to offer a comprehensive skill development package to college students over a period of three years. The program has enormous potential to strengthen knowledge, skills and capabilities of students through its cutting edge pedagogy, learning materials, and community work component, which can bring sustainable change in key Social and Economic Development areas. Understanding the importance of NUSSD programme, the government of Andhra Pradesh has recently collaborated with TISS to implement the program in 100 colleges.

NATIONAL UNIVERSITY STUDENTS' SKILL DEVELOPMENT
ANNUAL REPORT OF NUSSD PROGRAM**

At the outset, we are glad and thankful to principal, college team, including the Management, Trustees, Faculty and students, for making the NUSSD Program a success and helping it achieve its intended outcome of Skilling students, empowering them and making them employable.

The 'National University Students' Skill Development' (NUSSD) Program of the Tata Institute of Social Sciences aims to impart employability and knowledge skills to students in all states in the State of Rajasthan, and particularly in Jodhpur since July 2016.

Since the very beginning of the program, the support and involvement by your college has been forthcoming and we are able to see good success in terms of the students being trained and their personal growth through the program due to the combined efforts of your college and the NUSSD Team. We are currently training students in the Foundation course of NUSSD, and soon in the next Academic Year, we will be able to offer them a choice of Domains in which they may be skilled.

JOINT MEETING TO ESTABLISH NUSSD PROGRAM IN JODHPUR

We had the meeting with delegates of central team and colleges. The meeting was in Taj Vivanta and the agenda was to discuss about the smooth implementation of NUSSD program and also discussed about the amount of fee for the students. To orient college authorities about the NUSSD programme, it's importance and implementation plan. To finalize the Fees structure, Roles and Responsibilities of colleges, and college convener where NUSSD programme will be implemented over the next 3 years. To ensure uniformity in NUSSD implementation across all the colleges.

COLLABORATION DETAILS OF TISS NUSSD AND COLLEGE:

Orientations and Meetings

On 9th of August 2016, we organized orientation program for all the college students. Ms. Snehal Malwad oriented more than 150 students during the program.

Initially, we faced many problems to enrolled students for NUSSD program in this college. Later, after consultation with principal ma'am, I have done class wise orientation and met many students personally to motivate and mobilize them towards NUSSD program. Total 52 students were enrolled in AY 2016-17

Inauguration Function of NUSSD Program

On 15th of September 2016, we organized a formal inauguration program at college. Dr. R.S. Mertia (Director) inaugurated NUSSD program with Saraswati Pooja. He also shared his views with enrolled students. He encouraged to all the students to enroll under NUSSD program.

I always wanted to work in financial institutions and in the bank. So, I have chosen the Banking and Finance Services domain course. After completion of diploma first year, I got an opportunity to participate in the placement drive organized by Shriram Transport Finance Company. I got selected by company HR in my first interview attempt.

AWARD & RECOGNITION

“Hard work brings Appreciation and recognition; Appreciation and recognition brings Awards; Awards brings Responsibilities”

9th February 2018 was memorable day for the Jodhpur team as the teams’ effort over the past one and half years was recognized and appreciated by internal and external people. The Jodhpur team was awarded 2 prizes on the same day.

The NUSSD Best Region Award

On February 19, 2018 we celebrated farewell ceremony of the legendary Professor S. Parasuraman (Former Director - Tata Institute of Social Sciences) and the successful completion of the 5 years of NUSSD Programme. On this special day, NSSSD Management announced various category awards for appreciation and re-evaluation of ground level efforts and works done in the past one and half years. Under which **Jodhpur team was awarded with "The Best Region Award" by Professor S. Parashuraman.**

The UTTHAN Award

UTHAAN organization celebrated their 4th Anniversary on 19 February 2018 and invited the high court judges, lawyers and law students. The chief guests were DR. Puspendra Singh Bhati [Justice, Rajasthan high court], Mr. Murlidhar Vaishnav [District Judge, Jodhpur], DR. Sachin Acharya [Advocate, Rajasthan high court] and DR. Ashok Soni [Advocate, Rajasthan high court]. On this auspicious occasion annual report of UTTHAN organization was presented and few awards were given to recognize efforts of others who are contributing their efforts in the field of legal awareness. This organization also appreciated the efforts of NUSSD programme and invited us to receive award. Team had been awarded with excellence award for spreading legal awareness among the youth pursuing graduation.

Uthaan has recognized the efforts of NUSSD Programme while teaching students Legal Literacy and the efforts taken during the field visits under the course. Students were given an exposure to the entire process of High court, Police Station and administration system. They also recognized team’s effort when 150 students took an effort and undergone to the process of RTE and accordingly identified the eligible candidate and helped them to register them in the RTE portal. This was an achievement and gave satisfaction that we were able to impart social responsibility among the graduating youth of NUSSD program.

CHALLENGES

The major challenges under the academic year 2017-18 are captured in the below:

1. Variant Opportunity

Colleges have introduced various courses with the collaboration of different institutes in their college apart from NUSSD Programme. Therefore, many students get confused and diverted towards different courses.

2. Insufficient Infrastructure

NUSSD has built goodwill among the colleges in two years and receives support whenever required but at the same time we need to compromise because college wants to support but at the same time they have insufficient infrastructure.

3. Adversity in the aspiration of students and the industry

Students of this era have adverse aspiration than the industry. They have high aspirations and less knowledge of the industry. They want success without hard-work and also lack patience. They believe in frequent success without hard work.

4. Ignorance regarding the skills and career opportunity

Students do not have any awareness regarding building their career. They are ignorant towards the career opportunity, industry culture and industry demand. They are less concern for the career rather focuses on their amusement and fun.

5. Providing internship to each individual in the industry

It is very difficult to provide internship to all the students. Many challenges are faced during internship. Some of them are as following:

- All the firms related to particular industry do not provide internship which is one of the biggest challenges.
- Time management is difficult for students and synchronizing time between college and internship is quite difficult because college hours and work hours clashes.

6. Interest towards government job

Students do not have any acknowledgement regarding jobs and opportunities available in the industry and are forced to chase behind the government jobs. For the same they pay high amount of money for the preparation to pursue govt. vacancy's examination. But on the same hand they are ignorant about job opportunity in private sector.

7. Coaching centers for tuitions and competitive exam preparations

In Rajasthan coaching centers plays a major role in education sector. They are playing a major role in an individual's life these days. So the student is busy in college and later after they have to go for coaching.

8. NUSSD Programme not inculcated in college curriculum

Colleges have given support but not inculcated NUSSD Programme in the course curriculum. The colleges conduct lots of events and extra-curricular activities and then many times NUSSD classes has to suffer because of maximum number of students' participation in the activities or many times classes are cancelled.

STAKEHOLDERS SPEAK

Mr. Shailendra Arora
Branch Manager, AU Small Finance Bank, Nai Sarak

I found NUSSD students are outstanding holding good communication skills, confident and had ability grasp. They not only did their office work efficiently but also accomplished their marketing. Students have shown excellent performance during their internship.

Mr. Varun Pareekh
PRO, Paytm, Jodhpur

I have interviewed several students in my career but I was amazed to see the ability of the students of NUSSD who seemed to be casually interacting with me rather than giving the interview.

Mr. Ajay Kumar
General Manager, Shriram Transport Finance Company Limited

Good to know about NUSSD Programme initiated by TISS offering vocational training in Banking & Financial Services with emphasis on banking & financial sector. Well intentioned staff with a good outlook for providing employment to the graduating youth.

Mr. Jai Prakash Singhvi
Unit Head, HDFC Standard Life Insurance Company Limited

Based on our experience of last one year, we found that the students of NUSSD programme demonstrated high level of learning potential and work ethics and they are ready to work extra in their quest for knowledge, provided career opportunities are available to them.

Mr. Amit Purohit
Owner, R.K. Purohit & Company (CA Firm)

I sincerely appreciate NUSSD Programme efforts for designing vocational courses as per industry expectations for providing vocational training to the graduating youth from underprivileged and weaker sections of the society and help them to enhance their skills and make them employable. I wish NUSSD Programme success in your noble endeavor and will be happy to continue to be associated with you in future.

FORTH-COMING PLAN

1. Will start two domain courses in the college i.e. Travel & Tourism and Hospital Service Management.
2. Will provide internship to the student of domain courses.
3. Will provide exposure visits in different employability domain sectors.
4. Will organize Placement Drive.
5. Will organize Grand Convocation for AY 2017-2018.
6. Many more ideas to implement.

At the end we would intimate that the process of forming strong industry linkages in Jodhpur and in the rest of the country to enable industry engagement for students in the form of seminars, workshops, field projects, internships and placements. With these additional inputs, the program will ensure good exposure for students and a practical orientation in their chosen domain, which is highly valued in the industry. the endeavor is to create knowledgeable and socially responsible youth, who will be agents of development.
