Vision of the College

The vision of our college is to create a community oriented and a sensitized person. In this context the college has not only organized a gender sensitization program towards transgenders but also a National History Seminar on Third Gender Concubines and Slaves dated 25.07.2018, thereby creating a historical awareness about these groups, their lives and their present position.

Every year we organize Anemia free college drive, blood donation camp as our community concern. In this session we organized Swachhta Jagrukta Rally, to sensitize local community about clean and green surroundings.
